TELC German International Certificate Exam;

- Acarkent Doğa Anatolian High School students participated in the internationally recognized TELC German language certificate exam. Ayşe Sude Eroğlu, Bengisu Karadag, Azra Delfin Gugu, Fatma Hazal Demirci, Nazlıyar Beyza Çakmak and Ceyda Avcioğlu were given certificates at the ceremony held at our school. We congratulate our students and teachers and wish them success.

Our Student Elara Asya Has Published The First Academic Article

Our 10th grader Elara Asya Sezgin, who is the Head of Scientific and Artistic Projects in our school student assembly, published her first academic paper, "Perseid Meteorites Caught on IST60 Sky Camera", as a result of her observations at Istanbul University Observatory Research Center, where she went for professional observation.

16th International Conference on Molecular Biology and Genetics ;

- Within the scope of the event organized by our Biology Club of Acarkent Doğa Anatolian High School, our 9th, 10th and 11th grade students attended the 16th Winter School International Molecular Biology and Genetics Conference of Istanbul University. At the end of this 3-day certified program, our students had the opportunity to listen to the speeches of world-renowned academics.

Sports Achievements;

This year, our students are running from success to success in sports. Both basketball and volleyball team once again made us proud by staying in the finals. In addition to their academic achievements, our students who are successful in sports have shown us that sports does not inhibit or even increase academic success. We wish our students success in the finals.

Sports Achievements;

- Can Yaran, one of our 10th grade students, was awarded the Youth and Sports Ministry Youth Cup of the Republic of Turkey, which was held between 6-7 October 2018 at Ankara E-Sports Club.
- Zeynep Yazkan, one of our 9th grade students, won 1 bronze medal and 3 silver medals at the Turkish Artistic Swimming Winter Championships between 4-6 January 2019.
